

Sharon Boyle of Mara Media, the host of Skipper Expo Int. Bristol 2017, has expressed her thanks to the organisers of the Brixham Trawler Race for their hospitality over the event weekend. This was Sharon's fourth year at the Race and she was there to both enjoy the event and also to promote the forthcoming Skipper Expo Int. Bristol 2017. Brixham Trawler Race raised around £24,000 for local charities last year and it is anticipated that a similar amount will be raised this year.
