

# New Twinrigger For The Wilde Boys

L'Étaplois III

The L'Étaplois 111 which was constructed in Socarenam Boulogne, France in 2006 has become a recent addition to the Irish Fleet. She has been acquired by Skerries based Wilde brothers Shane and Noel.

L'Étaplois 111 is a 22.5mtr Twin-rigger which has been upgraded to freeze her catch at sea. Concentrating mainly on prawns the vessel will tow twin Jackson prawn trawls supplied by Marine Suppliers, Howth and land her catch to Ivan Wilde and Dorans

Powered by a Mitsubishi 560

MPTA - 100 KUA main engine and a Masson 1/3.949 gearbox driving a 4 Blade Diameter - 2200mm prop. The vessel also has a Mitsubishi 6DI6T - 100 KVA Auxillary engine and a Poclaim 6H14 hydraulic pump to drive her three winches.

The wheelhouse is well kitted out with 2 x Simrad with ARPA Radars, 2 Sodena + Olex All with Tides and AIS plotters, 1 JRC and 1 Furuno colour sounders, 2 Handheld VHF, 2 Sailor VHF, 1 Sailor Big Set, 1 COM VHF, JRC GyroCompass, Furum Nautex, Intellion, Satelite TV, 2 Furuno

GPS and Marport Trawl Sensors. The vessel is also fitted with a 6 camera CCTV system to give the skipper a comprehensive view of the working areas.

The Wilde Boys bring a wealth of experience to the L'Etaplois. Both Shane and Noel have grown up fishing under the Tutelage of their father Noel Wilde Senior who co-owned and fished the Sabrina, Ave Maria, Salve Regina, Orion, Pere Charles and Mater Dei.

Shane Wilde started on Ave Maria

as a Deckhand at age 16. Shane then moved on to the Pere Charles which was bought in Boulogne. Shane began to Skipper her in 2003. She was subsequently sold in 2005. Shane then bought the Mater Dei and skippered her from 2006 until August 2015 before selling her and buying the L'Etaplois 111. Noel Wilde Jr worked with Shane on the Pere Charles and Mater Dei.

The Skipper wishes Shane and Noel best success and safe fishing with the L'Etaplois 111

Securing the liferaft
